To Whom It May Concern:

I had the opportunity to work with Jacqueline Schaffer on an estate sale, home remodel and sales project in Encino, CA. I was hired by her to close out her in-laws estate. Jacqueline managed all levels of this huge process from her home in Dayton, without leaving Ohio once.

I have the utmost respect and regard for her professionalism and work ethic. Jacqueline can be trusted implicitly to grasp the overarching concept behind a project while never losing sight of the minute details. Jacqueline is able to adapt quickly and diplomatically to any situation and is always pleasant and enjoyable to work with.

She is a true leader and valuable resource who improves any meeting or discussion she participates in with her keen intelligence and discerning judgment. I look forward to every project we tackle together. I can't recommend her highly enough as her work speaks for itself.

Respectfully,

Laura Jones
